

WEBLIOGRAPHY

Maternal and Child Health Nursing

Maternal-child nursing supports the mother and child through pregnancy, childbirth, and postpartum. The nurse provides screening, bedside care and education for the mother and assists her in caring for her newborn.

- **Maternal and Child Nursing by Nursing Center**
Maternal-child nursing is a specialty focused on the care of women throughout their pregnancy and childbirth and the care of their newborn children.
<https://www.nursingcenter.com/clinical-resources/practice-specialties/maternal-child-nursing>
Access: February 3, 2025
- **Maternal and Child Health Services by Better Health Channel**
The Maternal and Child Health (MCH) Service works in partnership with families to care for babies and young children until they start school.
<https://www.betterhealth.vic.gov.au/health/healthyliving/maternal-and-child-health-services>
Access: February 3, 2025
- **Maternal and child health nursing PPT, PDF by Ruby Shelah Dunque, Slide share**
It aims to ensure the health of expectant and nursing mothers as well as healthy children. Key aspects covered include prenatal care, tetanus immunization, micronutrient supplementation, clean and safe delivery practices both at home and in health facilities, and postpartum care.
<https://www.slideshare.net/rubyselahdunque/maternal-and-child-health-nursing>
Access: February 3, 2025
- **What does a child health nurse do? By Pregnancybirth&baby**
A child and family health nurse is a registered nurse with extra qualifications in child and family health nursing. Most are also registered midwives
<https://www.pregnancybirthbaby.org.au/the-role-of-a-child-health-nurse>
Access: February 3, 2025
- **Maternal and Child Health Nursing education before and during COVID-19: An exploratory descriptive study by Lael Ridgway and PubMed Central**
In response, higher education providers needed to rapidly transition from face-to-face to online teaching platforms while striving to maintain continuity, educational quality and positive learning environments.
