

Ateneo de Zamboanga University

SCHOOL OF LIBERAL ARTS

GRADUATE UNIT

**DOCTOR OF PHILOSOPHY IN PSYCHOLOGY
(Academic Track)**

This is a research-intensive training program for Psychology professionals. The overall goal is to develop and train professionals who can contribute to knowledge generation/enrichment through research engagements or through theory-testing in different areas of the practice of psychology. The program includes an internship course where students are supervised by seasoned professionals as they formulate and implement relevant psychological intervention programs in different work settings.
