

**Ateneo de Zamboanga University**  
**SCHOOL OF EDUCATION**  
**GRADUATE PROGRAM**

**MASTER IN EARLY CHILDHOOD EDUCATION**  
**(Professional Track)**

The Master in Early Childhood Education (M ECE) is designed to prepare teachers for specialized work in the education of young children. It provides teachers the opportunity to learn trends and issues in early childhood education and advance in their career as day care center directors and master teachers in elementary education.
