RE : Higher Education Professorial and Faculty Chair Awards
(August 2025–July 2027)

We are pleased to announce the recipients of the **Professorial Chair Awards** and **Faculty Chair Awards** from **August 2025 to July 2027**.

These awards recognize unwavering commitment to academic excellence, mission-aligned service, and meaningful contributions to the University's core functions of teaching, research, and service. Faculty excellence remains a key element of our institutional integrity and growth. This biennial awards cycle highlights our dedication to maintaining a culture of merit, rigor, and reflective practice.

This year, the awards process was guided by clearly defined criteria and a structured timeline. The selection committee conducted a thorough and transparent evaluation to identify outstanding faculty members whose performance reflects the values and aspirations of our university. The deliberations also served as an opportunity for critical reflection on how we continue to recognize faculty work – shaping a culture that honors both individual achievement and collaborative impact.

We proudly recognize the 18 awardees whose academic leadership and service contributions deserve this honor.
