

To the Trailblazers of Synapse Class 94,

You are not just a class; you are a legacy.

20 years ago, seemed like yesterday,

I still can recall the Synapse 94; it was such an experience that set the CON department then to not take lightly.

The leadership, the responsibility, and the unwavering commitment to justice have set a benchmark for generations to come. You have embodied the principles of loyalty, commitment, and unity with a passion that inspires all who witness your journey.

By standing firm for what you believe in, you have proven that history is not merely made by events, but by the courage of those who choose to lead with integrity.

Your commitment to *magis, cura personalis*, and discernment has shown us all what it means to strive for greatness while uplifting others with compassion and wisdom.

Your actions remind us that leadership is not just about achieving goals, but about transforming communities, fostering unity, and leaving a legacy of purpose.

As you continue forward, know that the history you have created will resonate far beyond the walls of this moment.

With pride and gratitude, MUCHISIMAS GRACIAS AND MAY YOU SOAR TO GREATER HEIGHTS, **MY EAGLES.**

AD MAJOREM DEI GLORIAM.

Congratulations on your 30th year as class '94 SYNAPSE.
