TO : THE ADZU COMMUNITY
RE : BASIC EDUCATION RESEARCH COUNCIL 2025-2026

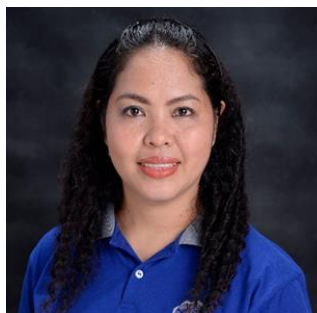

The office of the Vice President for Basic Education is pleased to announce the members of the **Basic Education Research Council** for this academic year 2025-2026.

This initiative reflects our commitment fostering a strong and vibrant research culture within the Basic Education unit. The council will support and coordinate research endeavors across the Grade School, Junior High School, and Senior High School levels.

The members of the council are as follows:

MS MERCIBEL F FEGARIDO
GS Research Coordinator

MS ESTHER Q MONDIDO
JHS Research Coordinator

MS JENALYN G MANOLIS
SHS Research Coordinator

Its purpose is to promote relevant and responsive educational inquiry and to align research activities with the strategic goals of the University.

We look forward to the active support and participation of the Basic Education community in strengthening our shared commitment to research and publication.

(sgd) MR JEFFREY O JALANI, MS, MDM
Vice President for Basic Education
